

- R401: required for program changes by USHE Board of Regents & SLCC Board of Trusteed; templates vary based on program proposal
- PCO: Program Curriculum Outline; content built from separate templates/forms based on program proposal:
  - 1. Proposal: summary document of program proposal; includes check-list of documents and process
  - 2. **Program Narrative**: program narrative information; includes location, faculty, description, cost, transfer, etc ...
  - 3. Curriculum & Learning Outcomes: program curriculum requirements including program-level student learning outcomes (mapped to SLCC SLOs)
  - 4. Pathway: guide for students to complete program requirements; tailored to student's end goal of workforce or transfer (discipline & institution)
- NWCCU: Northwest Commission of Colleges & Universities, SLCC's accrediting agency; documentation required based on program proposal
- Gainful Employment: U.S. Department of Education requirement for all Certificates of Completion
- Financial Aid Evaluation: document from Financial Aid Office to evaluate eligibility for student Title IV funding
- Suspend: programs placed in suspension for ## years for assessment;
- <u>Discontinue</u>: program is ended

Outcomes, Pathway

NWCCU (if needed)

Financial Aid Evaluation

Gainful Employment (if needed)

- <u>Teach-Out Plan</u>: students are given a reasonable amount of time to complete requirements in discontinued programs (typically 2 years); includes course sequencing for student completion and communication to students
- Substantive Change: change is 25% or more of program requirements including learning outcomes
