Textbooks: **Avionics: Systems and Troubleshooting A Practical Guide to Advanced Avionics 2nd Edition, ISBN 978-1-933189-21-5**

Optional-FAA [Airframe & Powerplant mechanics Airframe Handbook, 2nd ed. volume 1 and 2](#)
(Downloadable version on FAA website-free) ISBN 978-1-94114410-7, 978-194114411-4

[FAR Handbook for Aviation Maintenance Technicians AC-43.13-1B/2A W/Change 1](#)

Required Equipment: Basic hand tools, safety glasses, and hearing protection

Course Description Technical information and laboratory projects necessary for the practical application of testing and troubleshooting aircraft avionics systems, and for understanding theories, principals, and related concepts.

Prerequisite: AMTT 1405 or Instructor approval, AMTT 1240 or instructor approval.

Course Goals & Learning Objectives:

Individual Counseling: Students are encouraged to visit with the instructor after class or when available by appointment.

Course Requirements

- Preparation: Study criteria is from lecture notes posted on Canvas, textbook, workbook and any handouts from the instructor.

Course Outline

- Technical Publications and Data Management
- Power Distribution, Digital and Data Bus Systems
- Electronic Instrument Systems
- Integrated Monitoring and Warning Systems
- Autopilot and Autoflight Systems (Emphasis on Air Data and Compass Systems)
- Communication and Entertainment Systems

- Global Positioning System

Grading Scale and Policy: Each area/subject must be passed with 70% or higher to meet the program requirements. Students not meeting this minimum will be required to repeat the subject area. The final grade will be influenced by a student's attitude, use of time, attendance and safety practices and grades received in class and lab environments.

Testing: If a student has to miss a scheduled test day the student must consult with the instructor either in person or by email. This test must be made up the following school day in order to receive full credit; if these requirements are not fulfilled it will result in an incomplete.

Lake Work: All work not turned in on time or completed on time will result in a minimum of 10% cut in points for that assignment, if prior arrangements not made.

Incomplete Policy: All assignments and test for class time and lab will be turned into the instructor. Any assignments not turned in will result in an incomplete.

Extra Credit: Make up credit is at the discretion of the instructor.

**Course calendar includes test days, due dates for major assignments, etc.*

Grading Scale:

100-97	A	85-82	B-	69-66	D+
96-94	A-	81-78	C+	65-62	D
93-90	B+	77-74	C	61-58	D-
89-86	B	73-70	C-	57-54	E

*Cut-off for passing is 70% (C-)

REQUIRED POLICIES FOR CLASSROOM CONDUCT

- Cell phones use including 'surfing', texting and talking is prohibited during class time.
- Lap top computers off except for note taking.
- **Absolutely no sleeping.** If you find that is unavoidable, you might be asked by the instructor to leave the class for that day.
- Be on time, be ready, and be self-motivated. Be safety conscious (what are the consequences of your actions).
- If you have a question, raise your hand. Please do not challenge instructor in class, can discuss during break(s).
- If you want to know info on grade come to office after class.
- **No Swearing in class or on the premises,** it is a matter of self-control and being Professional.
- Lab requirement: Fulfill the lab tasks to an acceptable skill level (industry standard entry level), lab grade will consist of skill, group participation, work ethic, clean-up habits and completion of percentage score of lab tasks.

Airport Badging Requirements: All students must be escorted in the Airport campus lab areas by the Instructor

Student Code of Conduct

The student is expected to follow the SLCC Student Code of Conduct found at:

http://www.slcc.edu/policies/docs/Student_Code_of_Conduct.pdf

General Education Statement

This course fulfills the critical thinking requirement for the General Education Program at Salt Lake Community College. It is designed not only to teach the information and skills required by the discipline, but also to develop vital workplace skills and to teach strategies and skills that can be used for life-long learning. General Education courses teach basic skills as well as broaden a student's knowledge of a wide range of subjects. Education is much more than the acquisition of facts; it is being able to use information in meaningful ways in order to enrich one's life.

While the subject of each course is important and useful, we become truly educated through making connections of such varied information with the different methods of organizing human experience that are practiced by different disciplines. Therefore, this course, when combined with other General Education courses, will enable you to develop broader perspectives and deeper understandings of your community and Aviation, as well as challenge previously held assumptions about Aviation and its inhabitants.

ADA Statement

<http://www.slcc.edu/drc/index.aspx>

Students with medical, psychological, learning or other disabilities and desiring accommodations or services under ADA, must contact the Disability Resource Center (DRC). The DRC determines eligibility for and authorizes the provision of these accommodations and services for the college. Please contact the DRC at the Student Center, Suite 244, Redwood Campus, 4600 So. Redwood Rd, 84123.

Phone: (801) 957-4659, TTY: 957-4646, Fax: 957-4947 or by email: amber.jentzsch@slcc.edu

Emergency Evacuation Procedure

<http://www.slcc.edu/emergency-prepare/evacuation-routes.aspx>

Student Contribution: Practice a 95% work ethic in the lab and lecture arenas, participate in lectures, read lesson plans.

Other Classroom or Conduct Policies: All policies as outlined in the SLCC catalog and Student Handbook will be enforced. Additionally Cell phones must be turned off; laptop computers must be turned off except for research projects and report papers. Sleeping during class hours will not be tolerated. Please be punctual as tardiness is recorded. Safety consciousness will be rigorously encouraged and enforced.

Title IX Information:**20 U.S.C.A. Section 1681 (a): TITLE IX**
