

Intro. to Design Professions

ARCH1010 501

Instructor Information

[Redacted text block containing multiple lines of blacked-out information]

Course Description

The study of the roles that designers play in society and what job markets are available in the areas of architecture, CAD, construction management, architectural history, landscape architecture, and interior design.

Semester: Fall

Course Prerequisites

There are no prerequisites for the class.

Communication Plan

I will respond to email within 1day - if during Monday-Friday. I don't look at email on the weekend.

I will offer feedback on major assignments within 1 week.

The best way to contact me is via the Canvas Inbox or my SLCC email, kevin.king@slcc.edu

Course Student Learning Outcomes

- To understand Architecture and related professions.
- To become familiar with the architectural works throughout history.
- To describe the role of construction technology in the development of architecture.
- To determine the significant effects of computer technology on the design professions.
- To study the relationships among the design and construction professions.
- To discover the potential job markets in the design and construction professions and the requirements for licensing and careers.
- To become excited about the architectural profession.
- To become consciously aware of the built environment.
- To define personal career goals.
- To have as much fun as possible in a lecture class.

Keys for Success (how to succeed in the course)

Stay on top of the assignments.

Don't give up if you get behind. Reach out to me and let's talk and work out a plan to get you on schedule.

Ask if you ever have any questions.

Required Textbook & Materials

Required Materials for the class:

Book:

There is no required book for the course.

Design Notebook:

This may be digital or traditional. This is for you to sketch and write about your design ideas for the various design projects in the class.

Project Materials:

You will need to design several projects in this class. You may use physical or digital tools to create them. You will need access to whichever you prefer and purchase materials as you need. This may include but is not limited to: card stock, cutting mat, straight edge, knife, glue, etc.

Brief Description of Assignments/Exams

Research

You will be researching a couple of topics and multiple Design Professions. This will include finding examples that you like.

Presentations

You will take your research and create a digital file that can be saved as a PDF or PPT. They will include images as well as explanations.

Designs

You will be designing 3 Dimensional things that can be done with whichever tools/media you prefer to use. That might be physical models, or drawings, or digital models.

Assignment Schedule

Due Date	Assignment Name	Assignment Type	Points
	Arch 1010 "What's On Your Mind?"	Discussion	0
	Arch 1010 Get to Know Each Other	Discussion	0
	Final Design Analysis	Assignment	40
	Introduce Yourself	Discussion	0
	reasons I want to do architecture	Discussion	0
	Roll Call Attendance	Assignment	
8/21	Arch 1010 Get to Know Each Other	Discussion	10
8/21	Why a Design Profession	Assignment	10
8/23	Design Form / Aesthetic Application	Assignment	10
8/23	Design Function - Application	Assignment	10

Due Date	Assignment Name	Assignment Type	Points
8/26	Great Design = Function + Form Application	Discussion	10
9/2	Technology Reflection	Assignment	25
9/4	Your Carbon Footprint	Assignment	10
9/9	Sustainability Reflection	Assignment	25
9/11	Industrial Design Analysis	Assignment	10
9/16	Industrial Design - Your Turn	Discussion	25
9/18	Fashion or Motor- Craft Design Analysis	Assignment	10
9/23	Fashion or Motor- Craft Design - Your Turn	Discussion	25
9/25	Furniture Design Analysis	Assignment	10
9/30	Furniture Design - Your Turn	Discussion	25
10/2	Interior Design Analysis	Assignment	10
10/7	Interior Design - Your Turn	Discussion	25
10/9	Set / Experiential Design Analysis	Assignment	10

Due Date	Assignment Name	Assignment Type	Points
10/14	Set Experiential Design - Your Turn	Discussion	25
10/16	Architecture Analysis	Assignment	10
10/28	Architecture - Your Turn	Discussion	25
10/30	Landscape Architecture Analysis	Assignment	10
11/4	Landscape Architecture - Your Turn	Discussion	25
11/6	Urban Planning Analysis	Assignment	10
11/11	Urban Planning - Your Turn	Discussion	25
11/18	Final Design Analysis	Discussion	40
12/2	Final Design - Your Turn	Discussion	0
12/9	Career Pathway	Assignment	100
12/9	Education Path in Detail	Assignment	40

Grading Scale

Each assignment has points. Grades are based on total number of points. Make sure you review assignment point value to see how much each one impacts you total point grade.

Online Tutoring

Students at SLCC have access to online tutoring through Canvas. From your Canvas course click Online Tutoring in the course navigation and follow the steps to set up an appointment. If this is your first time using the Online Tutoring we recommend you click "Take a Tour" to familiarize yourself with the service.

Note that students only receive 480 minutes of tutoring time each semester. After that we encourage you to use the resources found through this link:

<https://www.slcc.edu/tutoring/index.aspx>

If you have any additional questions reach out to elarningsupport@slcc.edu.

How to Navigate to Canvas

Student Academic Calendar

As students you should be aware of all important dates in the semester, such as the day that courses begin and end, as well as the drop date and the last day to withdraw. To learn more about those dates, navigate to the Student Academic Calendar below:

[SLCC Student Academic Calendar](#)

Institutional Policies

As members of our academic community, we would like to invite you to review the Institutional Syllabus which covers important policies and procedures. This document contains important links for students on the code of student rights and responsibilities, academic integrity, and grading policies, Title IX and other important acknowledgements. By familiarizing yourself with this information, you can help us create a safe and respectful environment for everyone.

You can access the document by clicking on the following link:

<https://slcc.instructure.com/courses/530981/pages/institutional-syllabus>

Learning Support and Tutoring Services

We are pleased to offer a range of tutoring and learning support services to help you achieve your academic goals. Whether you need assistance with a specific subject or want to improve your study skills, you have many options for tutoring or other support.

To learn more about the services we offer and how to access them, please visit the Institutional Syllabus under the Tutoring and Learning Support tab: <https://slcc.instructure.com/courses/530981/pages/institutional-syllabus>. We encourage you to take advantage of these resources to help you succeed in your studies. If you have any questions or would like to schedule a tutoring session, please don't hesitate to reach out to us. We are here to support you in any way we can.

Advising and Counseling Support Services

At our institution, we are committed to supporting your academic and personal growth. That's why we offer a range of advising and counseling services to help you navigate the challenges of college life. To learn more about the resources available to you and how to access them, please visit the Institutional Syllabus under the Advising and Counseling Support Services tab: <https://slcc.instructure.com/courses/530981/pages/institutional-syllabus>. Our advising team and the support centers across campus are here to support you in achieving your goals and overcoming any obstacles you may face.
