Communication Plan

Example language:

- I will respond to email within 24 hours, aside from weekends. I'm usually faster, but that's the basic expectation. I will offer feedback on major assignments within 7 calendar days. The best way to contact me is via the Canvas Inbox, as I will prioritize this email over other modes of communication.

- In this course I will be posting interactive announcements which will offer specific opportunities for class questions and extra credit every other week.

- Additionally, I will be participating in the discussion forums with you to share my perspective within the discipline and to offer some nuances of interpretation that may not be present in your textbook.

- Lastly, we'll be holding small group Q & A sessions, where we can learn from our peers (and faculty) on some of the more difficult units within the course.

Keys for Success (how to succeed in the course)

The individuals who succeed in this class are those who complete the work. This should not be your most difficult course, if it is, let's talk. I want to help you succeed and remove any barriers you might be experiencing. Completing the coursework by the due date is the easiest way to be successful in my classes. Those who submit all assignments generally receive a B or better in the class and with no final here, this should set you up for success.
