LabSim Courseware for Security Pro English 7.0 ISBN: 978-1-935080-44-2

Students need Internet access at school or at home to complete some assignments.

#### **Course description**

This course covers network security and maps to the CompTIA Security+ exam. It is recommended students complete CSIS 1200 prior to taking this course.

The Testout Course Security Pro contains:  
Course Specifications

- Lab simulations: 85
- Video lessons: 166
- Demonstrations: 126
- Text lessons: 146
- Section quizzes: 95
- Certification practice exams: 2
- Exam voucher for TestOut's 100% performance-based certification exam: 1

You are responsible for all the materials in the course. Only the labs and the quizzes are listed in Canvas for points but if you want to pass the industry certification, and are planning for a career in IT Security, you will need to know all the information in this course.

#### **Grading**

All courses in the Computer Science department will use the following grade scale:

A	94-100	B+	87-89.99	C+	77-79.99	D+	67-69.99	E	0-59.99
A-	90-93.99	B	84-86.99	C	74-76.99	D	64-66.99		
		B-	80-83.99	C-	70-73.99	D-	60-63.99		

The grade weights for the course will be:

70% LabSim Courseware 15% Hands-on Labs, and 15% Midterm and final.

**Extra credit**

Depending on your instructor, extra credit may be available in your Computer Sciences and Information Systems course. If offered, extra credit may not exceed 3% of the final weighted grade for the course.

**Late work**

Unless prior arrangements have been made with the instructor, all assignments are due on the designated due date. Late work may be submitted one week (7 calendar days) following the due date with a late penalty as determined by the instructor. Any work submitted after one week of the due date will receive a 0.

**Academic dishonesty**

Academic dishonesty, including cheating, plagiarism, misrepresentation or collaboration, will not be tolerated in the Computer Sciences and Information Systems department. On the first offense--be it confirmed or merely suspected--the student and the Department Chair will be notified in writing by the instructor. On the second offense, the student will receive an E for the course and meet with the Department Chair about their future at SLCC.

**Classroom courtesy**

Anything that may disrupt class (cell phones, pagers, etc.) must be turned off or placed in silent mode. Texting, checking email, surfing the net, playing games, and other non-class related activities are also considered distractions and are not welcome.

**DRC STATEMENT**

SLCC values inclusive learning environments and strives to make all aspects of the College accessible to our students. If you have a disability and believe you need accommodations to improve access to learning materials or the learning environment, please contact the

**STUDENT CODE OF CONDUCT STATEMENT**

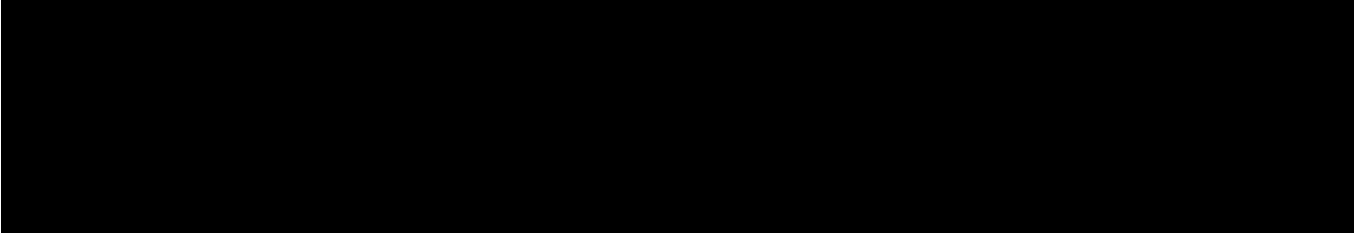

The student is expected to follow the [SLCC Student Code of Conduct \(Links to an external site.\)](#).

**TITLE IX STATEMENT FOR SLCC FACULTY**

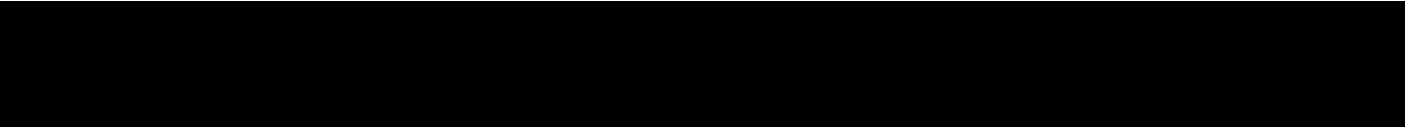

Title IX of the Educational Amendments of 1972 prohibits discrimination based on sex in any educational institution that receives federal funding. Salt Lake Community College does not tolerate sex discrimination of any kind including: sexual misconduct; sexual harassment; relationship/sexual violence and stalking. These incidents may interfere with or limit an individual's ability to benefit from or participate in the College's educational programs or activities. If you have questions or concerns regarding your rights or responsibilities, or if you would like to file a Title IX complaint please contact:

**Kenneth Stonebrook, J.D.**

Title IX Coordinator

Students may also report incidents to an SLCC faculty or staff member, who are required by law to notify the Title IX Coordinator. If a student wishes to keep the information confidential, the student may speak with staff members of the Center for Health and
