Additional Policies

Students are expected to be prepared, attend, and actively participate in all classroom, laboratory, clinical, and field trip activities. Attendance is vital to be successful in the

SLCC Mortuary Science Program. Absences interfere with one's ability to meet required class /lab course objectives. Participation can only be attained by being present in class. Students can receive 150 participation points in each program course that meets twice a week and 75 participation points in each program course that meets once a week. Absences and tardies due to work obligations are not excused. A student will be marked tardy for being late to class or for returning late from a break. It is up to the instructor's discretion to excuse an absence or tardy and to determine if a student is sleeping. Students start each Program course with full participation points and will receive deductions for the following violations.

Cell phones must be put away during class and may not be on the desk. Using a cell phone without instructor approval during class is prohibited and can result in your being asked to leave the class and being counted absent from the class. If you have an emergency and must use your cell phone, please exit the classroom.

Please review the student handbook for more information.
