Keys for Success (how to succeed in the course)

In an effort to align the concert attendance requirement with all other colleges in the Utah System of Higher Education and nationwide we are requiring 12 concerts in a semester. Remember that you need 4 concert attendance credits to graduate in music. In a 15-week semester at all other USHE institutions the requirement is 12 concerts. Remember that this is a requirement that articulates and is required everywhere in the state and across the nation.

1. 12 concerts are required.
2. Of the 12 concerts 7 must be SLCC music department events. We will also accept concerts when you are performing.
3. The other 5 concerts may be of your choosing with professional and semi-professional ensembles of all music genres. Musical theater is accepted IF, and only IF, the accompaniment is live. We will accept attending one rehearsal of an ensemble that you are not part of.

4. You may use online, live-streamed concerts if it is approved in writing by one of the instructors *in advance.* We will provide approval for the following reasons: there are health or scheduling difficulties that prevent you from attending live concerts, or you wish to see a live-streamed concert in a style or genre of music that is not available in a local concert. If the live-streamed concert does not solve one of these two problems, it will not be approved.

5. Submit your 3 sentence reviews *with* the ticket, program or a picture from the concert in Canvas on site for credit. You must submit your concert within two weeks.

You get your credit when you turn in and we approve 12 submissions.

It is that easy.
