

# Med Surg Nurs Clinical II

NRSG2305 001

## Course Description

---

Builds upon knowledge application from NRSG 1205. Fostering professionalism and collaboration with continued development of clinical judgment based on patient centered care and evidence-based practice to achieve safe, quality care through simulated scenarios and clinical based situations that correspond to health alterations learned in NRSG 2300.

Pre-Requisite(s): Completion of prior semester courses per established curriculum plan and ENGL1010

Corequisite(s): NRSG 2300

Semester(s) Taught: All

Builds upon knowledge application from NRSG 1205. Fostering professionalism and collaboration with continued development of clinical judgment based on patient centered care and evidence-based practice to achieve safe, quality care through simulated scenarios and clinical based situations that correspond to health alterations learned in NRSG 2300.

## Course Student Learning Outcomes

---

- Apply clinical judgment skills and the nursing process to develop, implement, and evaluate outcomes of a plan of care based on data collected during a comprehensive assessment.
- Create individualized patient-centered plans of care for adult patients experiencing complex health problems in a variety of settings.

- Utilize technology to provide and document care for patients with health alterations taught in NRSG 2300.
- Demonstrate culturally sensitive care to diverse populations using professional communication providing quality patient care.
- Illustrate effective communication inter-professionally and within nursing teams to coordinate health-related patient and family teaching and evidence-based care.

## Course Prerequisites

---

Completion of prior semester courses per established curriculum plan.  
English 1010, Introduction to Writing

## Communication Plan

---

Example language:

- I will respond to email within 24hours. I will offer feedback on major assignments within 10 days. The best way to contact me is via the Canvas Inbox, as I will prioritize this email over other modes of communication.

## Required Text or Materials

---

**Title: Lippincott Coursepoint+ Enhanced for Brunner & Suddarth's Textbook of Medical-Surgical Nursing**

**ISBN: 9781975186777**

**Authors:** Dr Janice L Hinkle, PhD RN Cnrm, Kerry H Cheever, PhD RN, Kristen Overbaugh

**Publication Date:** 2021-10-30

For more information on textbook accessibility, contact Accessibility & Disability Services at [ads@slcc.edu](mailto:ads@slcc.edu).

## Brief Description of Assignments/Exams

---

Primary/Secondary RN Role Simulation Evaluation: 30%

Quizzes: 10%

Lab attendance policy quiz

Fluid/electrolyte quiz

Cardiac quiz

Sepsis quiz

Respiratory quiz

Post-procedural quiz

Assignments: 60% (600 points)

Post Conference Reports (clinical) x 3

Reflections

1 clinical

2 simulation

Standardized Patient Interdisciplinary Simulation Reflection

Prep Assignments/ Student Packets x 6

Miscellaneous lab assignments (course eval, disclosure agreements, syllabus signature, etc)

12/8	<a href="#">Clinical Experience Reflection</a>	Assignment	10

## Grading Scale

---

A 95-100  
A- 90-94  
B+ 87-89  
B 83-86  
B- 80-82  
C+ 78-79\*  
C 75-77  
C- 71-74

D+ 67-70

D 64-66

E Below 64

\* Students must achieve a 78.0% average on all proctored exams and proctored quizzes (as designated by instructor) before additional coursework can be factored in.

The co-requisite course to NRSG 2305 is NRSG 2300. Both courses must meet the grading

policy of 78% or higher. If either the final course grade or proctored grade falls below the 78% in either NRSG 2305 or NRSG 2300. Both courses will need to be repeated per the policy outlined in the Division of Nursing Student Handbook.

## How to Navigate to Canvas

## Institutional Policies

As members of our academic community, we would like to invite you to review the Institutional Syllabus which covers important policies and procedures. This document contains important links for students on the code of student rights and responsibilities, academic integrity, and grading policies, Title IX and other important acknowledgements. By familiarizing yourself with this information, you can help us create a safe and respectful environment for everyone.

You can access the document by clicking on the following link:

<https://slcc.instructure.com/courses/530981/pages/institutional-syllabus>

## Learning Support and Tutoring Services

We are pleased to offer a range of tutoring and learning support services to help you achieve your academic goals. Whether you need assistance with a specific subject or want to improve your study skills, you have many options for tutoring or other support.

To learn more about the services we offer and how to access them, please visit the Institutional Syllabus under the Tutoring and Learning Support tab:

<https://slcc.instructure.com/courses/530981/pages/institutional-syllabus>. We encourage

you to take advantage of these resources to help you succeed in your studies. If you have any questions or would like to schedule a tutoring session, please don't hesitate to reach out to us. We are here to support you in any way we can.

## Advising and Counseling Support Services

At our institution, we are committed to supporting your academic and personal growth. That's why we offer a range of advising and counseling services to help you navigate the challenges of college life. To learn more about the resources available to you and how to access them, please visit the Institutional Syllabus under the Advising and Counseling Support Services tab: <https://slcc.instructure.com/courses/530981/pages/institutional-syllabus>. Our advising team and the support centers across campus are here to support you in achieving your goals and overcoming any obstacles you may face.

## Student Academic Calendar

As students you should be aware of all important dates in the semester, such as the day that courses begin and end, as well as the drop date and the last day to withdraw. To learn more about those dates, navigate to the Student Academic Calendar below:
