Course Prerequisites

None

Transfer/Certification/Licensure/Employment Information

What Skills Will I Need?

Fast job analysis

Good physical condition

Hand-eye coordination

Manual dexterity

Average scholastic ability

Appreciation and understanding of color

Satisfaction of a beautiful job well done

Occupations in this area:

For state and national occupation information, visit O*Net and enter the following

code(s):

51-9122.00 Painters, Transportation Equipment

49-3021.00 Automotive Body and Related Repairers

* The U.S. Education Department now requires institutions to provide Gainful

Employment information to prospective students that provide consumer information on

program costs, student debt and completion. The above Career & Program information

will provide a comparison between similar programs at different institution

Engagement Plan

Example language:

- I will respond to email within [48 hours]. I will offer feedback on major assignments within [48 hours]. The best way to contact me is via the Canvas Inbox, as I will prioritize this email over other modes of communication.
- In this course I will be posting interactive announcements which will offer specific opportunities for class questions and extra credit every other week.
- Additionally, I will be participating in the discussion forums with you to share my perspective within the discipline and to offer some nuances of interpretation that may not be present in your textbook.
- Lastly, we'll be holding small group Q & A sessions, where we can learn from our peers (and faculty) on some of the more difficult units within the course.

Keys for Success (how to succeed in the course)

Show up on time and put your best effort in everything you do, and have a good attitude.

Course Content Advisory

The Lab portion can have bright welding flashes and loud noises.

How to Navigate to Canvas

Institutional Policies

As members of our academic community, we would like to invite you to review the Institutional Syllabus which covers important policies and procedures. This document contains important links for students on the code of student rights and responsibilities, academic integrity, and grading policies, Title IX and other important acknowledgements. By familiarizing yourself with this information, you can help us create a safe and respectful environment for everyone.

For more information, navigate to the Institutional Policies tab on the [Institutional Syllabus](#) page.

Learning Support and Tutoring Services

We are pleased to offer a range of tutoring and learning support services to help you achieve your academic goals. Whether you need assistance with a specific subject or want to improve your study skills, you have many options for tutoring or other support.

To learn more about the services we offer and how to access them, visit the [Institutional Syllabus](#) page under the Tutoring and Learning Support tab. We encourage you to take advantage of these resources to help you succeed in your studies. If you have any questions or would like to schedule a tutoring session, please don't hesitate to reach out to us. We are here to support you in any way we can.

Advising and Counseling Support Services

At our institution, we are committed to supporting your academic and personal growth. That's why we offer a range of advising and counseling services to help you navigate the challenges of college life. To learn more about the resources available to you and how to access them, visit the [Institutional Syllabus](#) page under the Advising and Counseling Support Services tab. Our advising team and the support centers across campus are here to support you in achieving your goals and overcoming any obstacles you may face.

Student Academic Calendar

As students you should be aware of all important dates in the semester, such as the day that courses begin and end, as well as the drop date and the last day to withdraw. To learn more about those dates, navigate to the Student Academic Calendar below:
