

# Foundation II

ART - 2110 351

## Course Description

---

Value and light logic are explored using paint medium. Course includes fundamentals of color theory. Included: color mixing, painting techniques and materials. Composition, creative use of value, and image building are covered.

Pre-requisite: ART 1110

Semester(s): Fall & Spring

## Course Student Learning Outcomes

---

- Students will demonstrate substantive knowledge and skill in the use of light logic and rendering of form through value using paint materials.
- Students will demonstrate substantive knowledge laws of light logic and its uses in portraying a convincing illusion of three-dimensional reality.
- Students will demonstrate substantive skill in the process of image building using shape and value massing. This will include the steps of simplified shape/value massing, leading to smaller detail and texture.
- Students will demonstrate substantive skill in the implementation of principles of color theory and application. This will include an understanding of key terms associated with color theory and the science of light, aerial perspective, subjective, additive color mixing, and the psychological effects of color.
- Students will demonstrate mastery of various painting materials and techniques. Student will demonstrate ability to mix and apply paint, use of glazes, mediums, and complete projects that involve various painting surfaces.

## Engagement Plan

---

I will respond to email within 24 hours. I will offer feedback on major assignments during class critique. Further individual feedback can be given upon request during class time.

The best way to contact me is via the Canvas Inbox, as I will prioritize this email over other modes of communication.

## Assignment Schedule

---

Due Date	Assignment Name	Assignment Type	Points
	<a href="#">Roll Call Attendance</a>	Assignment	50
9/8/25	<a href="#">5 Step Value Scale and Cube</a>	Assignment	50

## Supplies

---

Click this link for a list of required [Painting Supplies](#).

## Academic Integrity

---

No tracing of images is allowed in the class unless specifically stated otherwise by the teacher for specific assignments. Evidence of tracing will result in automatic failure of the assignment.

No use of AI imaging allowed for the completion of assignments. Evidence of AI use will also result in a failing grade.

## Additional Policies

---

VAD ATTENDANCE POLICY

Students are expected to attend all classes in which they are enrolled on a regular and punctual basis. Failure to do so indicates that the student is not serious about his or her education.

If, on occasion, a student must miss class he or she is responsible to acquire notes and assignments from another student. Networking with other students is highly recommended.

If a student is tardy, it is his or her responsibility to notify the teacher of attendance before the class is over.

It is mandatory that this attendance policy be used in each class.

Class Meets Per Wk. Days Missed = E

1 3

2 6

3 9

4 12

5 15

NOTE: 3 Lates = 1 Absence

Example: A 3 Credit Hour Class Meeting 2 days per week.

**For this class, missing the 6th day is considered an E grade.**

## Institutional Policies

---

As members of our academic community, we would like to invite you to review the Institutional Syllabus which covers important policies and procedures. This document contains important links for students on the code of student rights and responsibilities, academic integrity, and grading policies, Title IX and other important acknowledgements. By familiarizing yourself with this information, you can help us create a safe and respectful environment for everyone.

For more information, navigate to the Institutional Policies tab on the [Institutional Syllabus](#) page.

## Learning Support and Tutoring Services

---

We are pleased to offer a range of tutoring and learning support services to help you achieve your academic goals. Whether you need assistance with a specific subject or want to improve your study skills, you have many options for tutoring or other support.

To learn more about the services we offer and how to access them, visit the [Institutional Syllabus](#) page under the Tutoring and Learning Support tab. We encourage you to take advantage of these resources to help you succeed in your studies. If you have any questions or would like to schedule a tutoring session, please don't hesitate to reach out to us. We are here to support you in any way we can.

## Advising and Counseling Support Services

---

At our institution, we are committed to supporting your academic and personal growth. That's why we offer a range of advising and counseling services to help you navigate the challenges of college life. To learn more about the resources available to you and how to access them, visit the [Institutional Syllabus](#) page under the Advising and Counseling Support Services tab. Our advising team and the support centers across campus are here to support you in achieving your goals and overcoming any obstacles you may face.

## Student Academic Calendar

---

As students you should be aware of all important dates in the semester, such as the day that courses begin and end, as well as the drop date and the last day to withdraw. To learn more about those dates, navigate to the Student Academic Calendar below:
